Local bus services in CARMARTHENSHIRE

This booklet contains details of First local bus services in the Llanelli, Carmarthen and Ammanford areas from 17th April 2011.

The following Ammanford area services will be transferred to First on 11th April:

126 (Ammanford to Cwmgwili)

127 (Ammanford to Garnswllt)

130 (Ammanford to Myddynfych Drive)

145, 146 (Ammanford to Cwmaman and Garnant)

164 (Ammanford to Pontyberem)

From 17 April

124 (Brynamman to Ammanford):

To improve reliability the 1742 journey from Ammanford to Brynamman will leave at 1750 and the 1815 journey from Ammanford to Brynamman will leave at 1825.

The 0618 Tycroes to Brynamman and 0646 from Brynamman to Ammanford journeys will no longer operate on Saturdays due to poor patronage.

128 (Ammanford to Llanelli):

The 1520 journey from Ammanford to Llanelli will no longer run via Cross Hands Business Park.

The Sunday service will operate from the new bus stop facility in Parc Trostre.

129 (Ammanford to Carmarthen):

The 1500 journey from Carmarthen will no longer run via Cross Hands Business Park

The service is removed from Teglan Park and will operate from Penygarn Road to improve reliability.

165 (Llanelli to Cross Hands):

This service will run via the new bus stop in Parc Trostre.

173 (Burry Port to Llanelli and Dafen):

This service will run via the new bus stop facility in Parc Trostre

181 (Swiss Valley to Llanelli and Morfa):

A revised route to improve reliability. Buses leaving Llanelli for Morfa at 30 minutes past the hour will run as normal until after Morfa where the bus rejoins New Dock Road. It will then turn left, past Lidl and onto the coastal road then back onto the current route by the Bucket and Spade pub (missing out Station Road and Seaside). The bus leaving Llanelli for Morfa at 50 minutes past the hour will do the opposite (missing out Seaside and Station Road on the way down). It will travel along the coast road until Lidl and then follow the existing route.

182 (Prince Philip Hospital to Llanelli and Parc Trostre):

This service will run via the new bus stop in Parc Trostre. Also, the time has been adjusted between Parc Trostre and town.

349 (Haverfordwest to Tenby):

This service will operate around Neyland in the opposite direction from currently. This is a request from Pembrokeshire County Council as there is a wheelchair friendly bus stop facility on the opposite side of the road.

404 (Llanelli to Swansea via Pontarddulais):

This service will run via the new bus stop facility in Parc Trostre. Extra running time has been added along Gors Avenue on the 0805 journey from Swansea

B1 (Pembrey & Burry Port Dial-a-Ride):

The route has been amended between Tyle Teg and the railway station to improve reliability. The bus will now turn left out of Tyle Teg going directly to the railway station bus interchange and not run via Achddu.

B25 (Llanelli Dial-a-Ride):

This service has been withdrawn in agreement with Carmarthenshire County Council due to poor patronage

X11, X12 (Swansea to Carmarthen via Llanelli):

In order to continue to provide convenient and good value services due to the restrictions arising from drivers hours regulations, service X11 from Swansea will terminate at/start from Llanelli Bus Station. The service between Llanelli and Carmarthen will be numbered X12. Buses will indicate where services X11 and X12 connect. Through tickets will be available and customers don't need to get off the bus at Llanelli. This service will also run via the new bus stop facility in Parc Trostre.

Timings have been revised to on the hour and half past the hour departures from Llanelli to Carmarthen.

X13, X14 (Swansea to Ammanford):

The 0612 service X13 from Ammanford to Swansea will now leave at 0602.

The 1635 X13 and 1705 X14 journeys from Swansea will have 8 minutes extra running time between Swansea and Penllergaer. These changes are to improve reliability on these journeys

The 0710 X14 from Ammanford to Swansea and the 0835 X13 from Swansea as far as Tycroes will no longer run on Saturdays.

These journeys carry very few passengers and there is already an alternative X13 service running from Ammanford at 0702.

When travelling by rail to destinations around Llanelli, tickets can be purchased from many rail stations covering the combined rail and bus journey.

A low price add-on fare will give unlimited travel on all participating local bus services in Llanelli - ask at your rail station for details.
