

Bristol Zone Map

The Bristol First Bus Network is divided into 3 Zones. The season ticket you hold must be valid for all the Zones you travel in or pass through, as shown on the ticket. The cost of your ticket depends on the number of Zones your ticket covers. Overleaf is a table showing the names of boundary points for each route to help you choose which ticket you will need.

	The Blue Zone: If you travel within the boundary of the central area.
	The Pink Zone: If you travel only between the boundaries of the central area and middle area.
 	The Blue & Pink Zone: If you travel in both the central and middle areas.
 	The Blue Zone, Pink Zone plus Green Zone: This includes all travel in zones, 1, 2 & 3.
