

## Visit Glasgow's most exciting attractions and take a trip on the Riversider!

Operating up to every 30 minutes throughout the day, the Riversider (Service 100) will transport you to Glasgow's newest attraction, the Riverside Museum as well as one of its oldest - The Tall Ship, now berthed at the Riverside. The service also calls in at the SECC.

The Riversider offers a range of fares to suit any journey - you can choose from a single fare from £1, a return for £3 or even a 3-day Freedom ticket (available for purchase exclusively on our Glasgow Shuttle and Riversider services) which offers 3 days' unlimited travel around Glasgow for only £13 to allow you to make the most of all the attractions the city has to offer on board one of our over 100 services.

So why not jump on board the Riversider today?

### SECC

Glasgow's biggest concert and events' destination with events such as the Snow Patrol, One Direction, Sting and Girls' Day Out to name just a few!

It's also a quick trip across the bridge to Glasgow's Science Centre from here.

For events in the evening - check out our website [www.firstgroup.com/glasgow](http://www.firstgroup.com/glasgow) for notices about late-night event services running.

SECC

### City Centre

The heart of Glasgow and home to a wealth of shopping and leisure opportunities including Glasgow's famous 'Style Mile' featuring all your favourite high street and designer stores.

### Riverside Museum

Glasgow's famous Transport Museum at its new purpose-built home in the west end is an excellent day out for all the family. With many new additions to the old favourites which were moved from its old home, the transport museum has something for everyone.

The Tall Ship

### The Tall Ship

Find out all about the history of the Glenlee while on board the ship herself!

Explore interactive exhibits including a world map, where you can trace the voyages of the ship and then watch rare archive film footage of the ship at sea. The Tall Ship has been restored to her former glory and is an amazing example of the Clyde's ship building heritage
