A guide to keeping safe this winter

- Be prepared for a change in weather - wrap up in warm clothes, wear layers of loose fitting clothes and sensible shoes
- Be alert - the risk of slips trips and falls multiply in cold and wet weather, watch your footing
- Keep informed - if the weather takes a turn and snow falls check for updates which may affect your route or timetable
- Let someone know where you are going and how long you will be out
- Store important numbers for when you are out and about, such as: **Traveline 0871 200 22 33**
- Register with Twitter to have updates sent to your mobile so you get up-to-date information sent to you
- Allow extra time for your journey in extreme weather and where there are road works
- Be safe, Be seen - wear brightly coloured clothes when outdoors or buy a hi-viz armband
- *Please be patient - it's often forgotten that our drivers are the ones out in the extreme weather trying to get to you!*
