First has a wide range of tickets to suit your travelling needs. As well as singles and returns, we have a range of tickets offering unlimited travel such as **FirstDay**, **FirstWeek**, **First4Week** and **First12Week**.

First Travelcard saves you carrying cash and you always have the exact fare. First Travelcard is a stored value microchip card that can be purchased in £10 and £20 denominations. When used, the value of the journey is deducted from the card and the remaining value is printed on the ticket issued by the driver. There is no time limit on using the card and it saves you having to look for change for your bus fare.
