

Changes to services in the Bath and Wiltshire Area from 4 April

Service 13 Foxhill – Bathford

The timetable of this service has been changed to allow additional journey time to improve reliability and punctuality.

Service 14A Weston-Odd Down

The route of Sunday and Public Holiday daytime journeys will be changing to provide a new daytime service to Upper Weston. This will make the timetable more consistent with evening journeys.

Service X39 Bath – Bristol

To improve reliability, the Monday to Saturday timetable of this service is being changed to allow for the current traffic conditions between Saltford and Bath. Journeys will be a couple of minutes longer.

Service 161 Wells - Frome

The timetable of Sunday and Public Holiday services is being changed to improve connections with onward services from Wells.

Service 173 Bath – Wells

Monday to Saturday services will now depart 5 minutes later to improve punctuality. To provide a more consistent service the Sunday and Public Holidays 1015 journey from Wells to Bath will now depart at 0946 and will follow the normal route of Service 173.

Service 178 Bath – Bristol

Ten journeys on Monday to Saturday will be run by another bus operator following new contracts being awarded by Bath and North East Somerset Council. The Council also support Sunday journeys on this service and are making some changes to the timetable.

The journey leaving Bristol Bus Station at 0801 to Wellsway School will no longer run. There are possible alternatives for passengers on Service X39, or Service 349 run by Abus.

Service 179 Bath – Midsomer Norton

Journeys on Sundays and Public Holidays will run 15 minutes later following a request by Bath and North East Somerset Council who financially support the service.

Service 184 Bath – Frome

Most Monday to Saturday journeys will now depart 5 minutes later and the timetable between Bath and Midsomer Norton has changed to improve punctuality.

Service 234 Frome – Chippenham

Some Monday to Friday journeys are being changed to improve punctuality:

- 0750 journey from Frome to Trowbridge will now depart at 0740
- 1549 journey from Frome to Chippenham will now depart at 1554
- 1725 journey from Chippenham to Frome will now depart at 1730.

Service 267 Bath – Frome

To improve punctuality Most Monday to Friday journeys will now depart 5 minutes later with the timetable changing throughout.

Service 273 Bath – Easterton

The Monday to Friday 0700 journey from Bath to Easterton will now depart earlier at 0648 to allow additional journey time to make the service more reliable.

Service 332 Bath – Bristol

Monday to Saturday services will now serve all stops in Bristol. Journey times will be slightly longer as a result.

Service 337 Bath – Keynsham

Journey times will be increased on Monday to Saturday services to improve punctuality. The 2001 Monday to Friday journey from Keynsham to Bath will be withdrawn due to low customer use.

Service 678 Bristol - Writhlington

This Sunday service will be run by another bus operator following new contracts being awarded by Bath and North East Somerset Council.
