introducing...

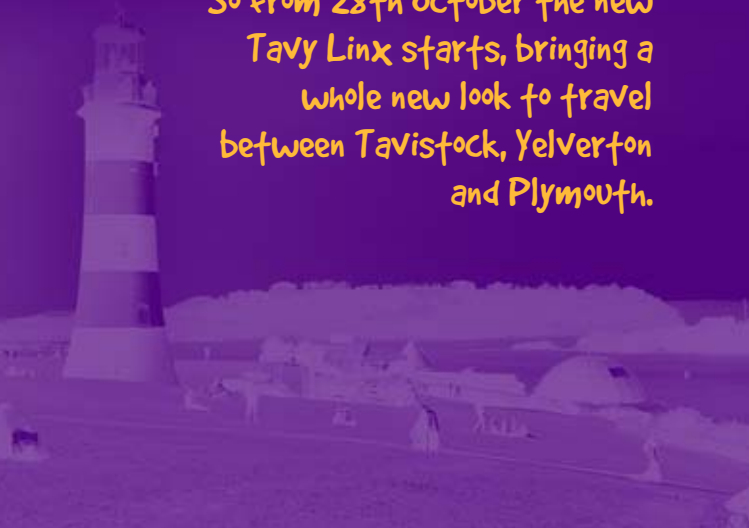

tavy **linx**

Over the past few months we've taken a careful look at buses between Tavistock and Plymouth.

We've used information about what journeys are being made to help plan a new timetable that we hope will be more convenient for most of our customers.

We also asked what you liked and disliked about the present service. Above all you told us that you wanted more direct, faster buses.

So from 28th October the new Tavy Linx starts, bringing a whole new look to travel between Tavistock, Yelverton and Plymouth.

what's changing?

There are now four buses an hour
between Tavistock and Plymouth

There are still two buses each hour from Tavistock to Plymouth via Derriford Hospital and Mutley Plain, with one bus running via Whitchurch as an 84 and one via Bishopsmead as an 86,
and
two 83 journeys each hour, which go direct from Tavistock to Plymouth via Yelverton and Milehouse, in under an hour.

Full details of the new timetable are shown in this leaflet. We hope you find the new timetable an improvement and the new routes more convenient, but if you have any suggestions or comments please let us know.
