

FIRST TERM TICKET

Applications for quotes to be returned to this office by **FRIDAY 2nd APR 2010**

Late applications will result in your child paying the appropriate bus fare until the season ticket can be processed. No refunds will be given on any bus tickets purchased.

First offers a **First Term Ticket** for the benefit of school children under the age of 16. This will normally save money compared with paying single or day return fares, **although within certain areas a First Day single/return, First Week or First Month ticket may be better value.**

First Term tickets can only be purchased in advance of the term by completing this application form, and are only available for students attending school or college for more than 15 hours per week.

First Term tickets provide for one return journey to and from school on Mondays to Fridays during school terms (unless otherwise endorsed). The return journey from school must commence before 1900; after this time a letter from the school must be produced to authorise travel.

Please note that **First Term Tickets** are issued subject to the company's Conditions of Carriage and Passenger Regulations, details of which may be obtained from First offices.
