For 16-18s, the Welsh Government ‘Mytravelpass’ scheme, offering 16-18 year olds a discount of one third off adult fares, continues. Full details can be found at mytravelpass.gov.wales

Inside you will find details of our all-day and weekly unlimited travel tickets, fares for special services, Unibus student tickets and details of how you can travel by train and bus on the same ticket.

You need to have a ticket or pass for every journey you make. If you don’t, you may be asked to pay the full fare for the journey again or you may be asked to pay a penalty fare of £20 within 10 days.

Single (one journey) and Return (there and back) tickets can be bought on buses. There’s no need to worry about having the correct money – our drivers give change. However, it can speed up boarding times if you have the correct fare available.

None of our day or week tickets require a photograph, so there’s less hassle when you buy your First ticket. We do, however, ask for photos with annual student tickets.

Many of our tickets have prices convenient for a family or group day out. Groups can include either 2 adults and up to 3 children or 1 adult and up to 4 children.
