CUSTOMERS THAT NEED EXTRA HELP.

Most of the Partnership buses and customer facilities such as bus stops and interchanges are easily accessible for wheelchairs and are buggy friendly.

The low floor buses have enough dedicated space for one wheelchair user. If the wheelchair space is occupied by a non-wheelchair user the driver will make every effort to ask them to move to allow you to board.

For customers using buggies please don’t be offended if the driver asks you to fold your buggy to enable a customer using a wheelchair to board.

If you need help with timetable information or your journey please contact us either online at travelsouthyorkshire.com or by phone 01709 515151.
